The building is owned by the Weld estate, of possiliary and a lease upon a for forty years at a rental of \$60,000 a year, an aggregate of \$2,400,000 for the Weld estate, of Boston, and the Mutual Reserve has renewed a lease upon it

The First Lesson.

Now, \$60,000 a year is a lot of money. especially when it is considered that the company obligated to pay it is in the hands of receivers. Mr. Haines set about offsetting that expenditure, and this is how he did it:

There are five porters in the buildingmarried men, with families. They have been drawing the prodigal salary of \$9.25 each week. Mr. Haines cut them to \$9 a week, thus effecting at one masterly stroke a saving of \$1.25 a week. As great a saving as \$5 a week has been brought about by cutting the pay of the scrubwomen. The salary of the elevator starter has been cut from \$18 to \$15 a week, and his duties have been increased.

Mrs. Barton's experience: with Lydia E. Pinkham's Compound.

Mrs. Helen Barton, of 27 Pearson Street, Chicago, Ill. writes to been increased.

They Can't See It.

It was the intention of Mr. Haines to the four elevator men refuse to be bankrupt company is staggering along under a load of \$8 a week been ask to the bone.
